MEDIA NOTES

BAYLOR defeated each of its non-conference opponents in 1983 (Brigham Young 40-36, UTEP 20-6 and Tulane 24-18) and that marked the first 3-0 against non-SWC teams since 1976 (Auburn 15-14, Illinois 34-19 and South Carolina 18-17).

OKLAHOMA State, prior to 1958, was known as Oklahoma A&M and was the original member of the SWC along with Baylor, Southwestern, Texas A&M, Louisiana State, Arkansas and Texas. Oklahoma A&M dropped out of the conference in 1926. Baylor holds a 9-2 all-time advantage over Oklahoma State and stands 13-14 against members of the Big Eight Conference. Grant Teaff-coached Baylor teams are 1-1 against Oklahoma State and 2-6 versus the Big Eight. Seven Baylor fumbles helped the Cowboys capture a 20-7 win over the Bears in Teaff's (1972) first season at Baylor. However, the Bears gained revenge in the 1974 SWC championship year with a 31-14 upset victory in Waco. An 84-yard scoring pass from Neal Jeffrey to Steve Beaird keyed that win for Baylor.

SEVENTEEN Baylor regulars are from the Greater Houston area, site for the Bluebonnet Bowl. Going home for New Year's are Gregg Bomkamp (Spring), Boyd Brigman (Memorial), Mark Cochran (Sam Rayburn), Pat Coryatt (Baytown Lee), Keith Coulter (Brazosport), Ross Elmore (Memorial), Kevin Hancock (Texas City), Alan Jamison (Westchester), Marty Jimmerson (Stratford), Byron Lewis (Baytown Lee), Derrick McAdoo (Northwest Academy), Tommy McClintock (Sam Rayburn), Tom Muecke (Angleton), Ben Perry (Texas City), Allen Rice (Klein), Johnny Thomas (Sterling) and Robert Williams (Galveston Ball).

SINCE Grant Teaff became head coach in 1972, Baylor annually fields a squad consisting mostly of Texans. Only eight of Baylor's top 90 players list home somewhere else but Texas. One of these eight, defensive end Derek Turner of Edmond, will be facing his native school in Oklahoma State.

BAYLOR has suffered 13 injuries to top defensive personnel this year. Missing at least one game due to injury were lineman Greg Bomkamp and Don Boeker, linebackers Clark Hood, Alan Jamison, John Breit and Kevin Hancock, cornerbacks Anthony Coleman, Byron Lewis, John Casey and Thomas Everett and safeties Jack Hurd, Grey Stogner and Johnny Subia.

THE Baylor-Oklahoma State contest will be broadcast on the Baylor Football

Radio Network with Frank Fallon and Don Trull handling the play-by-play and color. Trull, the former Baylor all-America quarterback, was voted the 1963 Bluebonnet Bowl Most Outstanding Back after completing 26 of 37 passes for 255 yards in Baylor's 14-7 triumph over Louisiana State. Carrying the 1983 action will be KWKC-AM (Abilene), KVAS-FM (Amarillo), KIXL-AM (Austin), KTRM-AM (Beaumont-Port Arthur), KOPY-AM (Corpus Christi-Alice), KGOL-FM (Houston), KNIF-FM (Gilmer), KOCA-AM (Kilgore), KMHT-AM (Longview-Marshall), KJAK-FM (Lubbock), KCRS-AM (Midland-Odessa), KNBT-FM (New Braunfels), KWLW-FM (San Angelo), KTLR-FM (Terrell), KOOI-FM (Tyler), KWTX-FM (Waco) and KVWC-AM (Vernon).

BAYLOR fans love bowl games. The Cotton Bowl reports that Baylor holds the top two spots in advance ticket sales from their department. Baylor sold a record 24,722 tickets to the 1975 contest with Penn State and then followed with 24,554 for the 1981 game versus Alabama.

SENIORS Mark Adickes, Grey Stogner, Mark Johnson, Mike Hetherly and Kent Townsend will make their third bowl trip since arriving at Baylor in 1979. The fifth-year players were included in the team party for the 1979 Peach and 1981 Cotton Bowls and now will be participating in the 1983 Bluebonnet Bowl.

ASSOCIATED PRESS honored eight Baylor players with SWC Player of the Week laurels in 1983, most ever in school history. Voted the league's best and the games in which they earned the awards were Alfred Anderson (Brigham Young), Ervin Randle (Houston), Kent Townsend (UTEP), Ralph Stockemer (TCU), Johnny Subia (Tulane) and Allen Rice, Tom Muecke and Cody Carlson (Arkansas).

THE balance shown by the Baylor offense made the going tough for opponent's defenses in 1983. For the season, Baylor made 254 first downs, 119 rushing, 111 passing and 24 by penalties. The Bears finished with 2047 net yards rushing and 2468 net yards passing. Twenty-four Baylor touchdowns were made on the ground and 20 through the air.

OF Baylor's top 53 players for the Bluebonnet Bowl, 43 will return for more action in 1984. The breakdown: 10 seniors, 16 juniors, 13 sophomores and 14 freshmen. However, Baylor made 4515 yards in 1983 and 3478 of that belongs to the seniors.

MEDIA INFORMATION

POST-SEASON SCHEDULE—At the conclusion of the season (Nov. 19) the Bears were given time off to rest and recuperate until Monday, Nov. 28. They then began a program of running and lifting weights, which went through Friday, Dec. 9. They held no workouts from Dec. 10-13 because of final exams. On Dec. 14 workouts in pads began again with a single practice that day and two-a-day workouts each day through Dec. 19. The team was then released on Dec. 20 for the Christmas holidays. The Bears reported back to Houston Dec. 26 to begin final preparations.

BAYLOR TRAVEL PLANS—Since Baylor players will be scattered across the state during the Christmas holidays, plans call for them to take their personal cars to Houston for the week of the game. Team members will arrive in Houston Monday, Dec. 26 and remain until Sunday, Jan. 1, 1984.

TEAM HEADQUARTERS—The Baylor team will headquarter at the Marriott By The Galleria, 1750 West Loop South (713-960-0111).

COVERING PRACTICE—Baylor's first practice session, to be held Tuesday, Dec. 27 in the Astrodome, will be open to media for the first 30 minutes. At that time, all players and coaches will be available for interviews and pictures. The first 15 minutes of Wednesday and Thursday's practice will be open to the media. Friday's practice will be closed. A repre-

sentative from the Baylor Sports Information Office will be at each practice session to provide reports, notes and quotes.

INTERVIEW POLICY—It is Coach Grant Teaff's wish to make the Baylor team as accessible as possible the week of the Bluebonnet Bowl. We do ask, however, that the following guidelines be followed. Please contact a member of the Baylor sports information staff to set up an interview. Players will be available for interviews for the first 30 minutes of Tuesday's practice in the Astrodome and for the first 15 minutes of the workouts Wednesday and Thursday. Friday's practice will be closed. Players will be available to be interviewed at other times throughout the week as their schedule allows. We will make every effort to get you all the time you need with any player or coach other than at the prescribed practice times. We do ask that you refrain from conducting interviews after the evening meal each night and on Friday before the game.

PRESS CONFERENCES—Baylor coaches and players will participate fully in all press conferences scheduled by the Bluebonnet Bowl. Please refer the Bowl releases for the dates, places and times of official press conferences.

BAYLOR SPORTS INFORMATION—The members of the Baylor Sports Information Office, Maxey Parrish, Terry Tacker and Matt Rogers are available at any time during the week of the game to set up interviews or answer any questions you may have. There will be one member of the SID office in the press hotel and one in the Baylor team hotel throughout the week. Plenty of printed information, along with extensive clip files of the 1983 season, will be available at the press hotel.

GRANT TEAFF

Baylor Head Coach

For all the success Grant Teaff has had in his 12-year career at Baylor, no season might not have proved his ability to coach better than the 1983 campaign. Picked eighth in the pre-season polls, suffering an incredible string of injuries, playing out of new offensive and defensive formations and doing it all with a coaching staff virtually revamped from a year ago, Teaff put together his fifth seven-win season at Baylor.

And did it in fine style as his Bears displayed explosiveness and balance like few teams in Southwest Conference history have. Teaff's Bears set school records for first downs and scoring. The team featured only the SWC's second ever 1,000-yard rusher and 1,000-yard receiver combination. And other individuals wrote their names throughout the conference record book.

Baylor faithful have almost come to expect as much out of Teaff's Bears. After all, he's been through all this before.

Teaff took over a Baylor program some said should drop out of the Southwest Conference in 1972. The Bears' 20th head coach inherited a team with a dismal 3-28 record in three years before he arrived. But worse than the losing record was the poor image the program held.

Teaff immediately went to work by crisscrossing the state to address groups of Baylor supporters wherever they gathered. He instilled a winning attitude in the Bear faithful and it spilled over onto the football field. The first squad put together a 5-6 record and came very close to earning a bowl bid. Only 13 points kept those Bears from a seven-win season.

The man from Snyder won SWC Coach-of-the-Year honors in 1972 and he repeated the feat two years later when his Bears produced what was called "The Miracle on the Brazos" as they won the school's first league title in 50 years and went to the Cotton Bowl for the first time. After the 1974 season, Teaff was not only tabbed as the conference's top coach, but received National Coach-of-the-Year laurels, too.

The 1979 and '80 seasons were other Teaff success stories. In '79 he took a team picked near the top of the SWC and finished the year with an 8-4 record and a Peach Bowl win over Clemson. Again, Teaff was named the conference's Coach-of-the-Year.

Experts picked the 1980 Bears sixth and that's where they finished the regular season. But instead of being sixth in the SWC, they were sixth in the nation, and had a 10-1 record to back it up. Baylor went 8-0 in the league, breaking 28 school records in the process. Teaff was again the SWC Coach-of-the-Year.

Baylor's second-winningest coach (behind Morley Jennings' 83-60-6 mark for 15 years) now stands at 67-63-5. He is 109-109-7 overall. With 12 seasons under his belt, Teaff can lay claim to the title of dean of the SWC coaches.

Teaff played two years of junior college football at San Angelo College and was an all-Texas Conference linebacker at McMurray College in Abilene. He was a multi-sports letterman at Snyder High School in West Texas. He captained teams at all three levels.

Teaff entered the coaching field at Lubbock High as an assistant coach. His alma mater, McMurray, then called him and he took the job as the nation's youngest head football coach. After a successful stay he went to Texas Tech as recruiting coordinator and assistant football coach. His next move was to Angelo State where, in three years, he posted a 19-11 mark, including a 7-3 record in 1971.

In 1972 he was called to Baylor to begin the challenge of his life. Bear football hasn't been the same since.

Teaff's coaching philosophy places emphasis on personal development of the individual athlete and motivation to gain maximum performance. He has coached 11 Baylor players to first team all-American status and dozens more to all-SWC honors.

Eight assistant coaches have left Teaff's BU staff, and all but one have gone on to become head football coaches somewhere on the college level. Recently John O'Hara took over the reins of the highly successful program at Southwest Texas State. Before last season Bill Hicks became the head coach and athletic director at Howard Payne, and Corky Nelson took the head job at North Texas State. Dal Shealy (Richmond), Bill Yung (West Texas State, UT-El Paso), Ron Harms (Texas A&I), and Pat Culpepper (Northern Illinois left

earlier after training under Teaff. One of the most respected coaches in America, Teaff is a member of the NCAA rules committee and is the chairman of the American Football Coaches' Association ethics committee.

Teaff is highly regarded for his speaking ability and is one of the nation's most sought-after speakers. He is recognized widely for his speeches on motivation to reach one's full potential. Teaff is one of the country's top football clinic speakers as well. He's active in the Fellowship of Christian Athletes, and has served on the board of directors.

Teaff and his wife, Donell, a former Texas Tech cheerleader, have three daughters. Tammy, a Baylor graduate, works for the Dallas Mavericks of the National Basketball Association. Tracy is also a BU graduate. Layne, his youngest daughter, attends Baylor.

A pleasant surprise for defensive coaches . . . Came to Baylor as walk on and earned scholarship with aggressive play. . . A hard nosed player who gets everything he can out of his ability and gives 100 percent each play . . . Made 26 tackles this season, backing up all-star performer Ervin Randle . . . Made big contribution on special teams, blocking 2 kicks. . . Blocked kick versus Arkansas in final minutes that would have given Hogs the lead in tie game. . . Best game was nine tackle performance against TCU . . . Also earned six versus Arkansas and blocked a kick. . . Blocked another kick against Houston . . . That one came in key situation when momentum of game was in the balance . . . Bears went on to win 42-21.

1983

A YEAR TO REMEMBER

The 1974 and 1980 Baylor Bears won the respect of football followers nationwide after coming from nowhere to win the Southwest Conference titles. But, another miracle unfolded in Waco this season on a scale equal to the championship campaigns.

Baylor opened summer two-a-days with several question marks including: (1) Installation of a new I-formation offense that would feature two quarterbacks with a combined 22 plays of experience (2) Installation of a new 4-4 defense (3) Reorganization of a coaching staff from the previous year that lost 23 years of Baylor experience.

Picked seventh in the league by pre-season publications, Baylor slipped a notch in the SWC Press Tour poll in late August. One SWC scribe advised Baylor to "Knock down the walls and tear out the floors. It's remodeling time at Baylor."

The favorite question pointed at Grant Teaff prior to the opener concerned the starting quarterback spot. Would it be sophomore Tom Muecke or freshman Cody Carlson? Teaff played along in the game by saying "My coaches keep telling me instead of worrying about Carlson and Muecke, why not just go ahead with [Allen] Rice?" The offensive line, where only one starter (Mark Adickes) returned, was the target of the majority of the early abuse from the experts.

Baylor earned instant respect throughout the nation with the upset win over Brigham Young and their Heisman Trophy candidate Steve Young. The Bears rallied to offset 464 yards of total offense by Young, called by Teaff "the best college quarterback I've seen." By rotating Carlson and Muecke on each offensive play, Teaff proved, in this case, that two can be as good as one.

Besides proving that they may be better than what the majority thought, Baylor accomplished two goals against the Cougars. "The feeling was there all along," Rice said following the win. "And maybe it is good that we're young. The sin-

cerity is there. This is a team that's together." And center John Adickes said, "We proved tonight that the offensive line can play."

Alfred Anderson quickly enjoyed the benefits of the new offense, gaining 144 yards against BYU. The Waco senior started a trend, winning ASSOCIATED PRESS SWC Player of the Week honors, the first of six occasions the Bears would be so honored.

Another player starting a norm in the opener that would continue throughout the year was offensive guard Bill Bateman, who despite running third team in the spring earned a starting position. Baylor was blessed with standout play from reserves each week. Thirteen regulars on defense missed at least one game but substitutes seemed to always fill the void.

Following the loss to Texas Tech, the media in the press box were convinced that Teaff's quarterback rotation must go. After all, Carlson and Muecke had personally accounted for four turnovers against the Red Raiders. Those words of wisdom finally soaked in, as Teaff went to a THREE-man rotation versus Houston as Rice opened the contest with a 21-yard burst. The play probably was the most important of the year as the memories of the Tech loss vanished and the quarterback dilemma was, at the moment, solved.

After a thorough defeat to SMU, Baylor opened a three-game home stand that would become a key to the season. Baylor, before the home folks, tied Texas A&M and defeated TCU and Tulane. Talks of bowls returned to the Bear camp for the first time since 1980.

Before the Arkansas game, Teaff told two media reps "It'll be another Miracle on the Brazos, if we go to a bowl game."

But, Teaff changed his appraisal of the Bears following the upset win in Fayetteville, saying, "A miracle falls out of the sky as a gift from God. We made 217 yards rushing, 326 passing, 34 first downs...Buddy, that ain't no miracle."

1983 GAME-BY-GAME

GAME ONE—September 10, 1983—at Waco

BAYLOR 40 Brigham Young 36

Baylor opened the 1983 season with one of the most exciting wins in recent memory, a 40-36 thriller over Brigham Young that wasn't decided until the final play of the game. The Bears trailed 14-7 at the half but came back to score five of the six times they got the ball in the second half. The final quarter each team scored twice, Baylor on drives of 67 and 75 yards and BYU on marches of 89 and 93 yards. Baylor's last drive began with 3:29 left, and the score came with a scant 49 ticks remaining.

GAME TWO—September 17, 1983—at El Paso

BAYLOR 20 University of Texas at El Paso 6

It wasn't real pretty, but it went in the win column, Baylor's 20-6 win over UTEP. Baylor moved the ball well and played solid defense (limiting the Miners to 89 rushing yards) but penalties, over 100 yards of them, marred what otherwise would have been an excellent game. Alfred Anderson scored BU's first two touchdowns from a yard out in the first quarter to cap 65 and 59-yard drives. Gerald McNeil rounded out the Bear scoring with a highlight film quality diving catch of a 44-yard strike from Cody Carlson.

GAME THREE—September 24, 1983—at Waco

Texas Tech 26 BAYLOR 11

Baylor couldn't overcome several timely mistakes as Texas Tech took a 26-11 win in a game witnessed by an ABC regional television audience. Baylor scored first on a 33-yard Marty Jimmerson field goal. Tech then got a safety thanks to a strong pass rush and added a

touchdown after the ensuing kickoff. The Red Raiders then booted three field goals that all came after BU fumbles. Baylor had a first and goal from the Tech one and a first and goal from the Tech three wiped out by penalties. Neither time the Bears came back to score.

GAME FOUR—October 1, 1983—at Houston

BAYLOR 42 Houston 21

The hard-running of Alfred Anderson and a turnover grabbing defense keyed Baylor to a 42-21 win over Houston in the Astrodome. Anderson rushed for 142 yards and scored two touchdowns while the Baylor defenders were pouncing on five fumbles and two interceptions. Baylor coach Grant Teaff shelved his two quarterback shuttle in favor of a three QB rotation as Allen Rice joined regulars Cody Carlson and Tom Muecke as Baylor signalcallers. The win marked Baylor's first ever over Houston in Houston since the Cougars joined the SWC in 1976.

Southern Methodist 42 BAYLOR 26

SMU kept the nation's longest unbeaten streak alive with a 42-26 win over the Bears in Irving. SMU got on the board first when Lance McIlhenny hit paydirt from four yards out but Baylor's Bruce Davis tied the contest with a school-record 99-yard kickoff return. SMU struck back in the second period on a 15-yard pass from McIlhenny to Marquis Pleasant but Davis again knotted the score when he caught a 53-yard scoring strike from Cody Carlson. Two additional scoring passes from McIlhenny to Pleasant broke the game open.

BAYLOR 13 Texas A&M 13

The old saying quotes it's like kissing your sister, but the 13-13 tie between Baylor and Texas A&M held many more thrills than a peck on the cheek. It was a game that could have gone either way, but ended up going neither way. Each team had a chance to move in for the winning score in the closing seconds, but great defensive play prevailed as it did most of the night before the WTBS national television cameras. With 39 seconds left, A&M's Alan Smith attempted a 32 yard field goal but Thomas Everett blocked the attempt.

BAYLOR 56 Texas Christian 21

The battered and bruised Bears, playing without the services of tailback Alfred Anderson, rolled to a 56-21 Homecoming win over TCU. Anderson's absence opened the door for little-used Ralph Stockemer to rush for 149 yards and freshman walk on Derrick McAdoo to score three touchdowns. Overall, the Bears amassed 526 yards in total offense and averaged 6.3 yards per snap. Baylor scored its first two possessions of the game with both drives covering 80 yards.

BAYLOR 24 Tulane 18

Baylor opened the Tulane game the same way it did against TCU, driving the length of the field for their first score. Alfred Anderson, who gained 93 yards on the day, had runs of 14, 20 and nine yards while quarterback Cody Carlson hit Bruce Davis for 18 yards to highlight the march. After Carlson led the Bears to their second touchdown, Tom Muecke quarterbacked Baylor to a 21-10 halftime lead. The second half was a battle of defense and field goals, with Tulane hitting two and Baylor one.

BAYLOR 24 Arkansas 21

Baylor established one school and five season records in their 24-21 upset win over Arkansas in Fayetteville. The Bear offense cranked out a school record 34 first downs and converted 12 of 15 third down attempts. Season records for passes completed (21), passes attempted (33), yards passing (326), total plays (89) and total offense (543 yards) were established against the Hogs. It seems every time Baylor and Arkansas tee it up, something wild and crazy happens and 1983 was no exception. It took a 24-yard field goal with no time left by Marty Jimmerson to ensure the Baylor victory.

BAYLOR 48 Rice 14

In Ray Albourn's final game as Rice head coach, Baylor impressed the bowl scouts with one of its finest showings of the year by defeating the Owls 48-14. Baylor piled up 501 yards in total offense (300 rushing and 201 passing) and limited the visitors to 163. The Bears averaged 6.5 yards per snap and yielded only 2.4. Rice scored first after blocking a Baylor punt, but the hosts put the next six touchdowns on the scoreboard. Fourth-team quarterback Phillip Massey scored the Bears' final touchdown.

Texas 24 BAYLOR 21

William Harris tackled punter Buzzy Sawyer on the Baylor six yardline and Texas turned the play into a quick touchdown as the Longhorns held on to defeat the Bears. The play gave Texas a 24-7 lead at the end of the third quarter and the lead seemed safe due to the Longhorns' national leading defense. However, Baylor had other ideas and closed the gap to 24-21 with 2:19 left on a 21 yard scoring pass from Tom Muecke to Gerald McNeil and a one yard run from Alfred Anderson. Baylor received possession with 57 seconds left, but the rally fizzled when Mossy Cade intercepted Cody Carlson. McNeil went over 1000 yards in season pass receiving yards and Anderson topped the 1000 yard barrier in rushing. Carlson passed for a season high 231 yards and also had 248 total yards. Baylor ran 96 offensive plays to Texas' 50.

Louisiana State	7	0	0	0— 7

The 5th annual Bluebonnet Bowl at Rice Stadium saw Baylor all-American quarter-back Don Trull finish his collegiate career in grand style in the Bears' 14-7 win over Louisiana State.

Trull, voted the contest's most outstanding back, completed 26 of 37 passes for 255 yards and both Baylor touchdowns. End James Ingram, the game's most outstanding lineman, caught 11 of Trull's passes for 163 yards and seven and 13-yard scoring strikes.

The Bears totally dominated their opponent, running 80 plays to LSU's 39 and racking up 394 total yards compared to the Tigers' 108.

Dalton Hoffman was the leading rusher for both teams, gaining 70 yards for Baylor, who ended the season 8-3. Tom Davies kicked both Baylor conversions.

The Tigers scored first, moving 43 yards in seven plays in the first quarter. Bill Soefker went the final eight steps for LSU and the Tigers led 7-0.

Baylor scored their first touchdown with 13:10 remaining as Trull hit Ingram for the seven yard strike. The Bears moved 68 yards in ten plays for the score with Trull completing three passes.

On their next possession, the Bears drove 70 yards in 11 plays for the winning score. Four completed Trull attempts, two each to Lawrence Elkins and Ingram highlighted the scoring march.

Baylor, who lost to Oregon State, Texas and Kentucky during the regular season, was led during the year by all-Americans Trull and Elkins, all-conference tackle Bobby Crenshaw and top rusher Hoffman.

★ WHAT THE BEARS SAY ★

SENIOR DEFENSIVE END KENT TOWNSEND—"We got better and better as the year progressed. I'm just really glad we have another game to play. We have a scrappy ball club—you could see that against Texas. It was 24-7. People could say to themselves, 'hey, you're beat right there.' But, we never did.

"I enjoyed playing in the 'Dome the last time we were there. We broke it in earlier this year. Oklahoma State has a heck of a team, with a good, solid running game. Bowl games are what you work for all season long. They're meant to be fun—we'll have fun, but we'll also concentrate on Oklahoma State."

FRESHMAN QUARTERBACK CODY CARLSON—"Late in the year, I think we were playing the second-best ball in the Southwest Conference. I learned a lot, and I think improved considerably. I'm pleased, but the team winning is the most important thing.

"I really can't say enough about the defense. With the people they've had out because of injury, I think they've done a marvelous job.

"I'm most happy for the seniors, getting a chance to go to the Bluebonnet. This will be the last chance for a lot of them. We have a lot to build on from this year. We're going to lose a few key players, but we will have some good people back. Losing Mark Adickes and Mark Johnson in the offensive line will be awfully tough. But the rest of the line has really developed over the last few weeks."

SENIOR RUNNING BACK ALFRED ANDERSON—"Oklahoma State has a fine team. They had some tough luck this year, losing a few close games. It's a great feeling to be going to a bowl game, especially with the group of players I'm associated with."

"Baseball season is over, so the floor of the 'Dome is all turf now. We won't have to run on the infield dirt—that's really the only thing that's bothered me about the Astrodome. We had an awfully big win there this year and I was fortunate enough to have a good night.

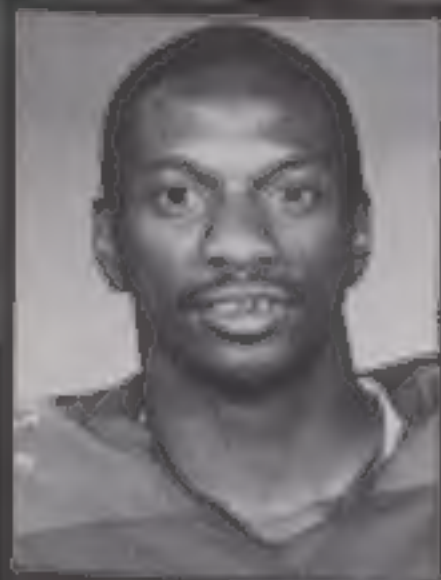

"The best thing about the Astrodome is that you never have to worry about the weather or sweat the wind, like we did against Texas."

SENIOR SPLIT END GERALD McNEIL—"Before the season we were picked eighth in the conference. I think we showed people that we were better than that. We were a young team that had to come around and we did. That was the key—the way the young players came around.

"I feel good personally about this game because it's close to home. I'll have lots of friends and relatives there to watch. From a personal standpoint it's very rewarding.

"I like the Astrodome because it's not cold in there. When we played there earlier we didn't have all the turf in, so it'll be nice to not have the dirt to contend with. There's lots of talk about the 'Dome being hard to play in, but I think it's a good place to play. It doesn't bother me at all."
